For OPEB plan governance, the Retirement Board of Authority is mandated to use the "prudent person" standard as codified by the California's Constitution and Governmental Code. This standard requires that Plan fiduciaries be (1) "familiar with such matters" as managing investments in a plan that pays OPEB benefits, and (2) that they take into account "the circumstances then prevailing" relative to keeping abreast of changes in the economy, the marketplace for investment products and services to OPEB plans. The Education Agenda is for the furtherance of these OPEB requirements.
